

New EV Charger Order Form

Dear owner,

At our Oct. 23, 2024 SGM, Coopers Pointe Owners approved the installation of EV infrastructure in our parkade. **The infrastructure project is expected to be completed in late January, 2025.** For owners who want an EV charger right away, the installer offered to install Hypercharge EV chargers while they are on site at a discounted installed price of **\$2200 + \$110 GST = \$2310**. This is a \$200 + \$10 GST discount! Please note:

- 1) Owners must pay for their EV chargers in full in advance of the installation.
- 2) A one-time BC Hydro grant of up to \$14,000 is available to share among the owners who install EV chargers at the same time as the infrastructure is put in.
- 3) The \$14,000 EV charger grant money will be distributed to participating owners after the grant money is received from BC Hydro.
- 4) **Deadline: to receive the \$200 + GST discount and be part of the BC Hydro grant, please order and pay by Wednesday, Jan. 8, 2025.**

Please complete the following if you would like to purchase an installed EV charger.

Owner Signature _____

Owner Name _____

Owner Telephone _____ Owner Email _____

Condo Unit Number _____

1st Parking Stall Number _____

2nd Parking Stall Number _____ (only if you want to equip a 2nd stall with an EV charger) *

*For the EV charger rebate, only one charger per strata lot will qualify for the rebate.

** We have been informed that Hypercharge 2025 charger pricing may be slightly increased. We'll keep you informed if you need to pay any extra cost.

Make cheques payable to "Strata Corporation BCS2646". (\$2310 for 1 charger, \$4620 for 2)**

- **Please submit your order and cheque to our concierge** as soon as possible.
EV chargers must be purchased in advance of installation so that they can be set up.

(This form is revised as of Dec. 24, 2024. Copies are available from the concierge)
